Performance Report

Congratulations on completing your training! You have achieved a score of 86

Compared to the top 28 countries in the Olympics, you performed better than 0 contestant(s), fell short to 28 contestant(s), and performed equally to 0 contestant(s)!

Below is a visual representation of your score compared to the Tokyo 2020 Olympics

You averaged a score of 8.6 per shot.

That means you did better than 0.0% of your competition!

Your heart rate throughout training was 134 BPM

This may have affected your accuracy. You should aim to control your breathing to reduce it to 60 - 80 BPM for optimal handling

Try the 4-7-8 or box breathing methods while focusing on your diaphragm.
